Dear Judge Bricant,

The parties in this matter conducted an initial mediation session this morning. At its conclusion, counsel agreed upon a process to move mediation forward. All also agreed that through this letter, I would respectfully request a 45 day adjustment of the discovery schedule. This will allow all parties to file written discovery demands on August 15, not July 1, and to extend the date to complete depositions until November 15, 2008 [from October 1, 2008].

Since granting this request may facilitate resolution, I am respectfully requesting that Your Honor so order this letter and return it to me for circulation to the below listed counsel. Thanks.

Respectfully,

Michael N. Sussman
